PICK YOUR FORMAT

OPTION	WHAT IT IS
Option 1 Shark Tank	Small teams invent a ridiculous product, build a pitch on the clock, and pitch to the other teams, who act as the sharks, ask the investor questions, and vote for the winner. We host. Countdown timers keep it moving.
Option 2 Superlatives Awards	We write funny award categories for the department, you send the team a poll ahead of time so everyone votes, and we reveal the winners live, awards-show style. All love.
